Dear Judge Gibson,
My name is Sharon Venturi, I am a RN in Cleveland, Ohio @ University Hospitals of Cleveland Case Medical Center for 17yrs. I have been a nurse for 32yrs.

I have known Mrs. Bonnie Chapman for >35yrs. She was my neighbor & my mother's best friend. Bonnie had & is a generous & caring person. She has always been there for us, even when my mom passed away in 1984. She is like a 2nd mom to us. She has attended most life events in our families. Has come up to us from Southern Ohio, when we had problems. When my sister & I son's were little, she would take them for 2 weeks. The boys (in their 20's now) still talk about this. Aunt Bonnie took them fishing, camping adventures, etc.

I can call Bonnie anytime for advice - she loves to talk & smile. She is caring, joyful & very love. She would give you the shirt off her back, a place to stay & a meal. As a teenager, she would take us on trips, cook for us, have movie night at her home.

Bonnie was there when my mom was in & dying. My mom & her had many fun times together.

She is a free spirit & beautiful inside & out.

Sincerely,
Sharon M. Fantelli
